We will be contacting you in April to ask you to renew or “recertify” your need for a P-Card and/or access to the Works® system. Failure to respond could result in your card account being closed and/or your Works® access being deactivated. This process is an annual DOAA requirement and KSU must remain in compliance. Please help us out and respond quickly. Be on the lookout for an email from us very soon!

We are fast approaching year end for FY16. Please note the deadline dates for allocations and paper statements to be submitted to our office:

April, May and June 2016:
- 04/28/16 by 5pm
- 05/27/16 by 5pm
- 06/28/16 by 5pm

Also, please note that the KSU P-Cards will be shut down during the final two weeks of the fiscal year:

(June 16 - June 30, 2016)

*** All P-Card transactions should be processed no later than June 1st to ensure they post by June 15, 2016. ***

Purchasing Card Statement Tips

When submitting P-Card statements, please remember:

- Please take care to adhere to your Cycle Limit and Single Transaction Limit during the month. With end of year spending, you may see that you need a temporary increase in one or both of your P-Card Limits. Please request the amount, time needed and copy your supervisor when you request these changes.

Please do not use staples, only paper or binder clips since we close out each monthly audit by scanning these documents.
